Writing Exercises

The Chinese Strokes

Complete the picture, then practice writing! Use a big tip pencil to fill the shape in one stroke!

This stroke is called 点 (diǎn) and is an elongated dot written from top to bottom. This is a swift movement. The wrist should be moving ferociously as if it were playing table tennis.

Writing Exercises

The Chinese Strokes

Complete the picture, then practice writing! Use a big tip pencil to fill the shape in one stroke!

This stroke is called 竖 (shù) and is simply a line written from top to bottom.
